Goshen, NY 10924

Dear Chip Knapp,

As of today, March 12, 2007, your company will no longer continue to work for The CFP Group in the US Army Stewart Hangar 101, NY project. Platinum Mechanical's remaining services are officially terminated due to damages incurred from bad installation.

As of today, Platinum's employees are not allowed to access the job site unless to pick up their tools. Platinum's remaining owed money from the contract will be retained to pay for the outstanding services required. Any remaining funds will be relinquished to Platinum once the project is completed.

If you have any questions, do not hesitate to contact me.

Sincerely,

Roberto Clark
President
